EXTRACT OF THE STATUTE :

ARTICLE 8. *Affiliations' requirements*

The only European National federations practicing VOVINAM VIET VO DAO allowed to be affiliated to EVVF are those which Olympic Committee is approved by the International Olympic Committee (IOC).

One National Federation is allowed for each country, the former must be approved by its own National Olympic Committee or by the highest Sportive Authority of that country.

National Federations wishing to be affiliated to EVVF must be autonomous organizations in their own country. The president and other members of the Executive Committee must be democratically selected.

National federations wishing to be affiliated to EVVF must submit a written request to the Secretary General. The Secretary General will then send them a form to fill out which must be returned along with the needed documentary evidences and a check for the yearly affiliation dues.

Once the Executive Committee approves the affiliation, it will be on a temporary basis. National Federations with a temporary affiliation will have all the privileges associated with their new status apart from the right to vote.

The affiliation will be considered a final one once ratified by the Congress.

If a National Federation has yet to be approved by the National Olympic Committee or by the highest Sportive Authority of its country it still can apply for an affiliation request. Ultimately the affiliations' decisions will be made by the Congress.

In the event of a favorable decision, the affiliation will be temporary and will only become final once ratified by the Congress the following year.

The affiliated National Federations will receive documentary evidence proving their affiliation.
